

Hildegard of Bingen

Nunc gaudeant materna viscera Ecclesie

from the *Symphonia harmoniae caelestium revelationum*

Dendermonde Codex 170r-v (Faculty of Theology, Catholic University of Leuven)

c. 1176

Nunc gaudeant materna viscera Ecclesie
quia in superna simphonia
filii eius in sinum suum collocati sunt

*The Church's womb exults
In cosmic music
Her children are folded back to her breast*

Unde o turpissime serpens
confusus es quoniam quos tua estimatio
in visceribus suis habuit
nunc fulgent in sanguine Filii Dei

*Disgusting snake!
You are broken
Those you thought you had devoured
Blaze in the blood of God's Son*

et ideo laus tibi sit Rex altissime
Alleluia

*Praise to you, highest King
Alleluia!*
